Safeguarding Update—Laura Harper, School Liaison Officer, North Yorkshire Police

Dear Parent/Carer

On Friday 21st March I came into school and spoke to children across Year 4, 5 and 6 about Anti-Social Behaviour. This is due to an increased number of reports made to both police and school around behaviour in the community involving some students from Tang Hall School. Some of these incidents have occurred while children have been walking to and from school without parents/carers supervision.

Police and school are taking reports very seriously and will be working together to identify those involved and contact will be made with family at home. Please can you speak to your child around expectations of behaviour, the school values are very clear, and we would expect these to be followed when out in the community.

On another topic, from speaking to both staff in school and students there are concerns raised around social media and mobile phone use. It is the parents' responsibility to regularly monitor and check your child's devices.

Social medias do have age limits, these are there for a reason, to keep your child safe.

We urge parents to remove phones from their child's bedroom at bedtime. School have received concerning reports that some children are on their devices into the early hours of the morning, some are also then waking up to 100's of messages and videos from classmates.

Please take the time to look at the support provided by the NSPCC that can help you keep your child safe online:

Whats On

Easter Egg Raffle

A massive thank you for all the donations for our Easter Egg raffle.

Thank you for contacting local shops and talking to your places of work and charities that you know.

We were delighted to be able to raffle a huge 184 eggs!

This amazing number of prizes mean that altogether we have raised a fantastic **£316** for school funds. This money will go towards paying for school visitors and school trips. Thank you for your incredible support.

Thank you to One Stop, Minster Lions, Lidl, Transpennine Route Upgrade and of course our lovely families and all of the individuals who donated or bought tickets.

Headlice

We have had some reports of headlice throughout school. Please see the NHS Guidance below—

Treat head lice as soon as you spot them. You can treat head lice without seeing a GP.
Check everyone you live with, or have close contact with, and start treating anyone who has head lice on the same day.

There's no need to keep your child off school if they have head lice. You do not need to wash your laundry on a hot wash.Lice and nits can be removed by wet combing.

You can buy a special fine-toothed comb (detection comb) online or from pharmacies to remove head lice and nits.

There may be instructions on the pack, but usually you:

- wash hair with ordinary shampoo
- apply lots of conditioner (any conditioner will do)
- comb the whole head of hair, using the detection comb, from the roots to the ends
  It usually takes about 10 minutes to comb short hair, and 20 to 30 minutes for long, frizzy or curly hair. When you've finished combing the hair, comb through all the hair again for a second time.

Do wet combing on days 1, 5, 9 and 13 to catch any newly hatched head lice. Check again that everyone's hair is free of lice on day 17.
