Headteacher's Update

We all had a smashing time at our drumming workshop on Monday. It was lovely having our whole school playing percussion together in the hall. It's not too late to make a payment via Parent Pay if you would like the chance to win a drum skin or a pair of drum sticks signed by Jeff Rich from Status Quo!

School social media use

Along with all Pathfinder schools, we have taken the decision to stop using X (formerly Twitter) to share updates with families and the wider community. Due to various policy and functionality changes to the platform, including not having the ability to embed content on our website anymore, we no longer feel it meets our needs. We will continue to use email communication and send out our newsletters to help you keep up with the latest school news, activities and events.

RESPECT AND SOCIAL RESPONSIBILTY

Thank you for your support in ensuring e-scooters and e– bikes are not brought onto the school premises. We want our school to remain a place where children learn lots, feel happy and are safe.

Enjoy the Bank Holiday weekend!
(Year 6—don't forget to keep reading!)

Safeguarding Update

Electrical Scooters and Electrical Bikes

We have unfortunately had some incidents of children coming to school on Electrical Scooters. **Please be aware that children are not to arrive at school or bring Electrical scooters or Electrical bikes onto school premises.** Not only are they unsafe they are also a fire risk.

The guidance we have been given by North Yorkshire Police regarding the use of electrical scooters is:

"Electrical scooters (also known as e-scooters) come under the category of 'powered transporters'. E-scooters are classed as motor vehicles under the Road Traffic Act 1988. This means the rules that apply to motor vehicles, also apply to e-scooters including the need to have a licence and insurance. It's not currently possible to get insurance for privately owned e-scooters. This means it's illegal to use them on the road or in public spaces, such as parks, street pavements, and shopping centres. If you use a privately-owned e-scooter in public, you risk the vehicle being seized under S.165 Road Traffic Act 1988 for having no insurance."

For further guidance, please click on the following link: E-scooters - North Yorkshire Police

Start of the school day

This is a polite reminder that as the school doors do not open until 8.30am, **no-one should arrive on the school site until 8.25am at the earliest.** Furthermore, the responsibility for the behaviour and safety of the children up until the time the doors open at 8.30am remains with parents and carers.
For any unaccompanied KS2 children engaging in unsafe behaviour, parents may be asked to accompany their child to school and wait with them until the school doors open to ensure our school continues to be a safe, welcoming place for all.

Large playground equipment

Can we once again remind all children and families that the large playground equipment **must not to be used before the school day starts or at the end of the school day** and this rule applies to:

- KS1 playground—the climbing frame and the MUGA.
- KS2 playground—the climbing frame and the MUGA.

Bikes and scooters

A final reminder is that **bikes and scooters must not be ridden on the playground**.
