Headteacher's Update

Thank you to Mr Lonsdale for organising another awesome Rewards Day. This is where our children get to 'spend' all the Dojos they have earnt. Children can earn Dojos throughout the year for following our school rules and showing our school values. Today, the children were able to choose from a range of activities including Boogie Bounce on the trampettes and a Tang Hall favourite—the silent disco. Much fun was had by all children and the teachers too!

Today, all of the children will be bringing home their school reports. It has been really lovely reading through these and seeing all the progress the children have made. Every day I am grateful that I get to work with children who know how to work hard and how to have fun! The reports will include some statutory test results: Y1 Phonics Screening Check, Y4 Multiplication Check and Y6 SATs results. We are really pleased with our results and enormously proud of all of the children. If there any disappointments, results wise, we would like to remind all our pupils and parents that a test is just a little snap shot of all the amazing things our children can do. We are all unique and we all show our skills in different ways. If any pupil or parent has any questions or comments about their results or reports, please arrange to speak with you child's class teacher next week.

I can't believe that next week is the final week of this academic year!

Y6 families have been invited to the Leavers' Play. Tickets are available for either Monday afternoon at 1:45pm or Tuesday morning at 9:45.

Our new teachers, Mr James (Y6) and Mrs Rose (Y3) will be in school next Monday. Each class will be sending out a short introduction letter from the class teacher and teaching assistant so you know who the important people are for your children next year.

Next Friday we break up for our 6 weeks summer holiday. Out of School Club will finish at 4:30 as normal on the last day of term. We will host our annual Leavers' Assembly in the morning to say goodbye to our Y6 pupils. Again, Year 6 families are very welcome to join us for this at 9:30.

Enjoy the sunshine this weekend!

Safeguarding Update

Start of the school day

This is a further reminder that as the school doors do not open until 8.30am, **no-one should arrive on the school site until 8.25am at the earliest.**

Furthermore, the responsibility for the behaviour and safety of the children up until the time the doors open at 8.30am remains with parents and carers.

For any unaccompanied KS2 children engaging in unsafe behaviour, **parents may be asked to accompany their child to school and wait with them until the school doors open to ensure our school continues to be a safe, welcoming place for all.**

Safeguarding Update—Headlice

Head lice and nits are very common in young children and their families. They are not caused by dirty hair and are picked up by head-to-head contact. Head lice can make your head feel itchy. The only way to be sure someone has head lice is by finding live lice. You can do this by combing their hair with a special fine-toothed comb (detection comb). You can buy these online or at pharmacies.

How to get rid of head lice: Treat head lice as soon as you spot them. You can treat head lice without seeing a GP. Check everyone you live with, or have close contact with, and start treating anyone who has head lice on the same day. There's no need to keep your child off school if they have head lice. You do not need to wash your laundry on a hot wash.

Wet combing: Lice and nits can be removed by wet combing. You can buy a special fine-toothed comb (detection comb) online or from pharmacies to remove head lice and nits. It usually takes about 10 minutes to comb short hair, and 20 to 30 minutes for long, frizzy or curly hair. When you've finished combing the hair, comb through all the hair again for a second time. Do wet combing on days 1, 5, 9 and 13 to catch any newly hatched head lice. Check again that everyone's hair is free of lice on day 17.

Medicated lotions and sprays: If wet combing has not worked or is not suitable, you could try a medicated lotion or spray. These kill head lice in all types of hair, and you can buy them from pharmacies, supermarkets or online. Head lice should die within a day. Some lotions and sprays come with a comb to remove dead lice and eggs. Some treatments need to be repeated after a week to kill any newly hatched lice.
