Headteacher's Update

What a wonderful last day we have had! The sun shone so we could say farewell to our awesome Year 6 and our leavers. It has been a fantastic day filled with positivity and reflection. On my own reflection, I could not be happier to be a part of such a fantastic team of staff and young people.

Year 2 have been working extremely hard and this week I had the pleasure of awarding them their Young Leaders Award. They have learned all about kindness, perseverance, teamwork and the actions we need to take to make our local environment better. A brilliant example of how they have shown our STAR value of Social responsibility.

We hope you enjoy looking at your children's work that they have brought home throughout the week. It is brilliant to see so many of our young people proud of what they have achieved throughout their year whilst looking back at their books.

Please stay safe over the holidays and keep reading as remember this can take you on lots of wonderful adventures too.

We will look forward to welcoming everyone back on Tuesday 2nd September. Please remember Monday 1st September is a training day.

Safeguarding Update

Reporting a concern about a child or young person

If you have a concern that a child is vulnerable or at risk of significant harm, it is your duty to contact the Multi-Agency Safeguarding Hub (MASH) in York.

MASH is a multi-agency team made up of representatives from a range of services, including Social Care, Early Help, Police and Health Professionals and is a single point of contact for all concerns about children.

This partnership approach will make it easier to get children, young people and families to get the right level of support as quickly as possible.

Multi-Agency Safeguarding Hub contact information:

Phone: 01904 551900

Email: mash@york.gov.uk

Address: MASH, West Offices, Station Rise, York, YO1 6GA

Outside office hours, at weekends and on public holidays then contact the Emergency Duty Team on telephone: 0300 131 2131

Safeguarding Update—Headlice

Head lice and nits are very common in young children and their families. They are not caused by dirty hair and are picked up by head-to-head contact. Head lice can make your head feel itchy. The only way to be sure someone has head lice is by finding live lice. You can do this by combing their hair with a special fine-toothed comb (detection comb). You can buy these online or at pharmacies.

How to get rid of head lice: Treat head lice as soon as you spot them. You can treat head lice without seeing a GP. Check everyone you live with, or have close contact with, and start treating anyone who has head lice on the same day. There's no need to keep your child off school if they have head lice. You do not need to wash your laundry on a hot wash.

Wet combing: Lice and nits can be removed by wet combing. You can buy a special fine-toothed comb (detection comb) online or from pharmacies to remove head lice and nits. It usually takes about 10 minutes to comb short hair, and 20 to 30 minutes for long, frizzy or curly hair. When you've finished combing the hair, comb through all the hair again for a second time. Do wet combing on days 1, 5, 9 and 13 to catch any newly hatched head lice. Check again that everyone's hair is free of lice on day 17.

Medicated lotions and sprays: If wet combing has not worked or is not suitable, you could try a medicated lotion or spray. These kill head lice in all types of hair, and you can buy them from pharmacies, supermarkets or online. Head lice should die within a day. Some lotions and sprays come with a comb to remove dead lice and eggs. Some treatments need to be repeated after a week to kill any newly hatched lice.
