Headteacher's Update

It has been another great week in school and we have really enjoyed having families in school for our Colour Fun event on Tuesday afternoon. Once again, thank you for your lovely comments - it was especially nice to hear the comments about our Year 6 buddies who helped to run the event.

We will continue to use Zones of Regulation to help our children regulate their emotions.

The Zones can be compared to traffic signs.

When given a green light or in the Green Zone, one is "good to go".

A yellow sign means be aware or take caution, which applies to the Yellow Zone.

A red light or stop sign means stop, and when one is the Red Zone this often is the case.

The Blue Zone can be compared to the rest area signs where one goes to rest or re-energize.

All of the zones are natural to experience, but the framework focuses on teaching students how to recognise and manage their zone based on the environment and its demands and the people around them.

Please talk to your child's class teacher if you are interested in using the Zones at home and would like any support with this.

Have a lovely weekend everyone!

Safeguarding Update

Start of the school day

This is a further reminder that as the school doors do not open until 8.30am, **no-one should arrive on the school site until 8.25am at the earliest.**

Furthermore, the responsibility for the behaviour and safety of the children up until the time the doors open at 8.30am remains with parents and carers.

For any unaccompanied KS2 children engaging in unsafe behaviour, **parents may be asked to accompany their child to school and wait with them until the school doors open to ensure our school continues to be a safe, welcoming place for all.**

Things To Do

Bike Register

Since June, our Neighbourhood Policing Teams have registered around 1,000 bicycles with Bike Register in York – the UK's national cycle database.

Thanks to funding secured through the Proceeds of Crime Act (POCA), we are able to offer this service completely free of charge (normally £12.99).

Bike Register has already proven highly successful in other counties, and since its launch here at North Yorkshire Police we've seen positive results, with several stolen cycles recovered and reunited with their rightful owners.

If you'd like to get your bike registered for free, please join us at one of our Bike Register events, which are regularly advertised on the official website: www.bikeregister.com
